The clerk's office is not imaging or posting documents sealed or otherwise restricted by court order.

Be advised that parties should not include sensitive information in any document filed with the court unless such inclusion is necessary and relevant to the case. In compliance with the E-Government Act of 2002, a party filing a redacted document may at the same time file an unredacted document under seal containing the personal data identifiers. The unredacted document shall be sealed by the Clerk's office without requiring a specific court order if said document indicates in the heading or style that it is "UNREDACTED DOCUMENT pursuant to General Order 03-04."
